

Corporate culture

Distinctly **Red**

Distinctly RED specializes in the most Unique and Distinct corporate gifts that cannot be found off the shelf in any store! We customize designs from scratch to give you, one-of-a-kind embroidered pieces of Art that can be used in a variety of ways for Corporate, Retail or even personal use. Be it promotions, marketing, trade shows or even seasonal gifts to clients, friends or family, they will certain remember you more fondly with our gifts!

By choosing RED, you also assist in our Social enterprise as well! The work we receive from you gets passed on to benefit the less fortunate and in some cases the physically challenged! Our hand embroidery is sewn by a group of villagers from Vietnam who use their skills to bring to life our intricate designs and transform them into works of Art that befit Galleries and Museum's. What better way to be socially responsible whilst increasing your return on investment?!

Let us work together with you to create something new for your next event or promotion to leave lasting impressions! All done by HAND and in small quantities, there are no worries of blowing your budgets! So call us today and be surprised at what we can afford you!

Choose Red and see the difference!
