

Carbon Neutral Stainless Steel Water Bottles

- local artists, local designs
 - artworks are created by local artists to be fun
- carbon neutral
 - the manufacturing & shipping of each bottle is offset with carbon credits leaving a zero carbon footprint
- safe, healthy & independently tested
 - the bottle, paint and caps are independently tested in Canada to ensure high health standards
- functional for your life's activities
 - the mouth fits normal ice cubes, the slim shape allows a comfortable hold, and the caps suit your activities: sports spout, straw & twist top
- high quality food grade 18/8 stainless steel
- polypropylene PP#5 caps
- leak proof caps
- BPA and phthalates free
- no leaching
- independently tested in Canada
- 100% recyclable & reusable
